Audit team:

The composition of the audit team ensured the possession of the necessary skills to operate according to the reference standard. Certiquality Srl has evaluated and ensured impartiality and independence from the verified Organization, both of the Entity itself and of the individual members of the audit team and decision-makers.

Assumption of responsibility: The holder of the opinion is responsible for the information and supporting evidence; CERTIQUALITY S.r.l. declines any responsibility for the information, data, and results of the product life cycle assessment by the manufacturer.
